Stephen Perez Coordinator, Arches Local

Stephen is the Coordinator of Arches Local, a resident-led community group part of the national Big Local programme based in Chatham within Medway in Kent. Arches Local have successfully delivered a number of ongoing local initiatives.

This has included: developing a Neighbourhood Plan, creating pocket parks, large scale street art, singing groups, planting street trees, installing a 6 tonne Movable Forest, and placing a green wall at a local primary school. All in a bid to raise awareness of climate change, increase opportunities and make the area a better place to live.
